

Geometry Template

Everyday Mathematics Geometry Template

The template includes the following components:

- Top Ruler:** A vertical ruler on the right side, labeled "CENTIMETERS", ranging from 0 to 17.
- Bottom Ruler:** A vertical ruler on the left side, labeled "INCHES", ranging from 0 to 7.
- Top Protractor:** A large circular protractor with markings for percentages (0% to 95%) and fractions (1/4, 1/5, 1/6, 1/8, 1/10).
- Bottom Protractor:** A smaller circular protractor with markings for degrees (0 to 180).
- Geometric Shapes:** Various shapes for cutting out, including squares, rectangles, circles, triangles (labeled T1, T2, T3, T4, T5), and polygons (labeled PB).
